J. LO'S LUXE L.A. HOME

The living room mixes gold and silver tones.

The kitchen's Arteriors Home antique brass chandelier retails for \$1,800.

POST CARD JENNIFER LOPEZ's L.A.-area mansion "is tastefully glamorous -- like Jennifer herself," says designer Michelle Workman, who revealed the results of the star's recent 10-week home makeover in the January/February issue of *Veranda*. With gray tones, chandeliers and silk, "it's almost like a black-and-white film from the '40s," says Workman, who adds Lopez "knows what she likes."

The star, 41, has twins Max and Emme, 2, with husband Marc Anthony, 42.

"We wanted it to be graceful," Workman says of the bedroom, which includes a headboard and lamp from Williams-Sonoma Home.
